Becky

Making your way through your entire body weight in chocolate over two days is what Christmas is all about. It says so in the Bible. Anyway, we were feeling a bit bilious and Becky's purple basque reminded us of a Quality Street so we made her get out of it straight away, revealing her soft gooey centre. Becky prefers ones with nuts and can't wait to get your Big Purple One out.

The image consists of a dense, abstract pattern of horizontal bands. The colors used are various shades of blue, from light cyan to dark navy, and white. The bands are irregular in width and density, creating a textured, layered effect. Some bands are solid, while others have a subtle, fine-grained texture. The overall composition is vertical, with the bands running horizontally across the frame. The lighting is soft, and the colors are slightly muted, giving the image a calm, minimalist feel.

REAL WIFE SEX

Gemma and Donna's duelling dildos are just the beginning of a sin-sational week of shagging!

I was side by side on the sofa with Donna, pleasantly tipsy, when the conversation turned to sex – what else? Little did I know at this innocent opening that this would turn out to be my sexiest week ever - just nut-crammed full of spunk and sexy lady juices!

"My Steve likes me to titfuck him. He's got a really big tool, but I can make it vanish in here!" Donna said, placing her hands on her big tits. She told us how she squeezes Steve's cock between her tits, and he bangs away until he cumms all over her face.

My boyfriend Dave had a big bulge in his jeans, and I could see why. Donna's T-shirt was stretched over the biggest pair of tits I've seen. Without thinking I said, "Let's see what the fuss is about."

Donna didn't need asking twice. She pulled off her top to show her massive breasts straining against the material of her bra. Her tits bulged over her bra each time she breathed in. Then she unsnapped her bra and threw it behind her.

Her massive tits were thrust out, bouncing and swinging. I said nothing, just reached over and weighed those

magnificent orbs with my hands. They were heavy and very firm.

Then I took one luscious tit in both hands and raised it to my mouth. Dave leaned over and did the same thing with the other one. I felt the nipple grow and she began to give out little gasps.

I looked up and saw that Dave's thick cock was poking out, pointing at the ceiling, with Donna's hand clamped around it. I felt her other hand groping under my skirt, pushing my knickers away from my cunt lips and working her fingers inside me.

Dave and I carried on suckling like two hungry twins. I put my hands down to stroke Donna's clit through her sooping pants and found Dave's hand already

there. Donna continued to gasp and moan, begging, "Fuck me, please!"

I pushed Dave aside, tore off my clothes and the rest of Donna's, and knelt between her legs. I licked her plump, pink cunt lips and slurped at her love juice. My lips found her clit and closed around it. It was hard and long and twitched as I teased it with my teeth.

Then I climbed on top of her and buried my face in her mountainous jugs,

reaching my hand down to push my fingers into her slippery cunt. I stuck three fingers inside her and she thrust her arse onto me.

She moved faster and faster as her climax approached and I moved my free hand between the cheeks of her back-side, found her arsehole and pushed one finger up as far as it would go. She came in a mixture of shrieks and groans.

I was so sexed-up that my nipples were as hard as spikes and my clit was throbbing. I wanted Dave's cock inside me, but Donna took charge and rolled me gently onto the floor. She let her tits swing across mine, then dragged hers down to my thighs. She held each breast with both hands and caressed the inside of my legs with each in turn, then used her long hard nipples to tease my clit.

She moved her tongue to my aching twat and I saw Dave come and stand between her. He grasped her buttocks and eased himself into her. I wrapped my legs round Donna's head as Dave started to thrust. Donna rammed her tongue further into me. Her nails dug into my arse cheeks and her tits slapped against me.

Dave reached under to grab her swinging jugs for himself. As he began to pump harder and harder Donna stabbed deep into me with her snake-like tongue. The throbbing in my cunt was growing stronger and I knew my climax was building up.

Dave yelled, "I'm cumming!" and I could feel his last thrust as he fired into Donna and I could hear her orgasmic squeal. Her tongue buried itself deep inside me and I came, bouncing and grinding my arse.

Dave was finished but Donna and I wanted to go on. I went into the bedroom and rummaged through my draw-

ers until I found my big flesh-coloured dildo that I've had since I was 18. I've never chucked it out like other toys as it really hits my spot.

I lay her back and spread her legs. She was shiny with her own cum and Dave's spunk so I didn't need to lube her up as I pressed the monstrous head of my dildo against her pussy lips.

She looked up at me, her hands cupping her boobs, as if to say, oh yes girl, this is the size I need. She looked so sexy, her forehead beaded with sweat, waiting for a good fucking.

I moved over so my pussy was over her face and I was facing towards her feet. Then, like I was driving a sword in to a stone, I rammed the dildo into her. Her head went back and her tongue disappeared into my wet little hole. I bounced up and down on her face, riding her hot tongue like a cock as I gave her pussy a real pounding.

Dave was getting really excited watching so I took his limp but rapidly growing cock in my mouth so all three of us were getting some serious genital excitement.

Donna came first, spasming round

Virgin record

My fuckbuddy John has taken me on loads of sexual firsts.

He was the first man to lick my pussy and make me cum. And the first guy I knew who shaved his cock and balls – I do love licking them!

I first met him after my divorce. I know many men think that size is important. It is!

My ex had a big 10 inch dick, thick and veiny. But, girls, size isn't everything when the man just thinks that all he has to do is plug you with his cock and fuck you.

His dick is always hard and I've cum all over it several times a night when I've been with him.

I can't believe that it took till I was 40 before I had an orgasm on a man's tongue!

But it's another first I want to tell you about. I knew John was coming to see me so I dressed in the basque you see in the photos.

My cunt was throbbing with expectation and my panties were wet.

When he arrived we were all over each other, tongues in mouths, his hands groping my trembling body.

He peeled off my panties

He sneaked his cock into my virgin arse

By contrast John has a cock not quite as impressive but his dick, his hands and his tongue more than make up for it.

Since John came on the scene everything has been amazing and totally different.

to smell my pussy. He always does this when he's getting ready to eat it.

I told him I wanted his tongue and I don't know how many times I orgasmed before he took a break.

He suggested he give me a

massage – which I was only too keen to have.

He lay me on the bed on my belly and, with his naked cock sometimes stroking my

my arse in big circles, spreading the cheeks to work the oil in.

Then I felt his cock nudge the entrance to my most

I tossed him off with my panties round my fist

thighs, he started to oil my back and legs. Then, slowly, he worked on my globulous buttocks.

He asked me to raise my bum up, then he rubbed

secret of holes.

The sneaky bugger gently worked his cock into my virgin arse. The feeling was tremendous.

He gently fucked my botty

for ages until I came with a yelp, my arse muscles locking tightly around his hard cock. I loved it. Never had I felt the sensation of being so completely filled with dick.

As a reward for being a good boy I tossed him off with my panties round my fist.

Now he knows this is something I love just as much as him fucking my cunt.

Especially when I moan at him, "Fuck me in the bum, lover!"

I hope your readers like the pictures. It would be so amazing if you wrote to me and told me how much!

Sacha, Tyneside.

Revenge romp

Revenge is sweet! I thought I'd get my own back and send you these pictures after I found a copy of my boyfriend's Escort under his bed.

I'll tell you about the time he took our babysitter Faye home and left me alone. See how he likes this!

and felt myself getting wet. "No she's not," I replied, trying to seem annoyed. I saw a can of beer in his hand and noticed he looked a bit tipsy. "I didn't come round here to do anything," he said.

"That's a shame," I said and gave him a little wink. "Why don't you come in and finish your drink?" I said. "You can keep me company."

And with that I turned in my black heels and extremely short, slutty pink dress and went into the house.

As I sat down, I ran my hand up my thigh, catching my skirt and showing him a glimpse of my new sexy stripy knickers.

I saw the front of his jeans bulge so I reached up and ran my hand up the inside of his leg and made him gasp.

I unbuttoned his fly and took his already hard-as-rock cock into my hot mouth, clamping my wet soft lips behind the ridge of his helmet.

His body twitched as

I unbuttoned his fly and clamped his helmet in my lips

I was sitting on the settee when there was a knock at the door.

When I answered it there was a sheepish looking 18-year-old guy stood there. "Hi! I'm Faye's boyfriend Daniel. Er, is she there?" I quite liked the look of this saw this hunky young stud

I slid my mouth down to his balls as my other hand cupped and played with his balls.

Sensing he was getting close, I stopped, took his hand and led him to my bedroom. I kept my heels and micro-dress on and jumped on the bed, taking my Rabbit

dildo out of the drawer.

"Wow!" Daniel said. "Faye hasn't even fingered herself in front of me."

I sank the vibrator deep into my cunt as far as it would go, the ears buzzing hard on my swollen clit.

By now I was dying for Daniel's hard prick to push my aching snatch open.

He jumped on top of me, grabbing my hands above my head with one hand and lifting my leg up with the other as he entered me hard.

I felt his full length bang deep inside me up to the hilt. He began to give me the

hardest fuck I'd had in years while sucking and biting my erect nipples in turn.

I started to yelp as I felt myself beginning to cum. I sank my pink nails into his back as he groaned and his cock twitched inside me.

I felt his hot jets of spunk fill my cunt. I sucked the rest of his cum off his cock before remembering my husband could be back any time.

As he walked out the door Daniel confessed he'd been sitting in his car down the road waiting for Faye to leave.

I laughed and said I'd organize another night soon! Libby, York.

Just days after she got her bum out in vol 29 no 7 Ann was getting it filled!

to get them sticking out and then sucked on them like a baby at the tit.

Ron's tongue was deep inside my pussy and my

body tensed in expectation of a good fucking

The cameras were rolling and yet another porn movie for our private collection was being made.

My pussy was wet and my clit lips swollen as Ron pushed his cock into me. It felt so good that I came hard within seconds.

Ron was on the verge of cumming so he and Ben swapped positions. Ron stuck his cock slick with my juices into my mouth while Ben rammed his cock deep inside me.

They both wanted to hang on long enough to make me

Dear ESCORT,
I had hardly had time to get through all my mail when Ron, who wrote the letter about me in the magazine, texted me to tell me to wear something sexy for his next visit.

I decided on my PVC French maid outfit, complete with crotchless fishnet tights and heels and white lacy gloves.

He came round to our house and Ben and I noticed through his jeans how swollen his prick was already

We took lots of horny pictures to get us all in the mood. Ron sat me down and lapped at my pussy as I sucked Ben's big dick. Ben played with my nipples

cum more so they carried on banging me, the juice running out of me and all over Ben's cock and balls.

Then Ron started to order me around. He was in the army you know.

I had to take both cocks in my mouth at the same

style, really deep and hard before his load too was on me.

After some encouragement (lots of licking, sucking and squeezing) the guys were hard again.

time, work my tongue round their tips and suck them deep and hard together.

Then I had to sit on Ron's face so he could lick me while I sucked Ben's cock.

By this time the guys were ready to release their loads. Ron took me in the missionary position, reamed my cunt and spurted his juice up it.

I turned over on all fours and Ben took me doggy-

I'd received I thought it was only fair to suck them both off and fill my mouth with hot creamy cum.

I'd just like to say a big hi to Ray from Carnock who made contact with me. We had lots of fun when he took an afternoon off I'm still trying to answer your letters guys. I will get round to replying to all of you as long as I have your details.

The image shows the front cover of a movie poster. The title "ASIAN NYMPHO!" is at the top in large, bold, black letters. Below it is a photo of a woman with dark hair, wearing a light-colored bikini, looking towards the camera with a slight smile. A speech bubble from her mouth contains the text "SWEET & STICKY PUSSY JUICE!". To the left of the title, there's a small box containing the number "NO. 69". Overlaid on the bottom left is the text "HOT 'N' SPICY FUCK SLUT!" in a stylized, jagged font. Along the bottom edge of the poster, the word "FILTH" is repeated four times in a staggered pattern.

An advertisement for 'Rubber 'n PVC'. It features a woman in a black latex outfit, including a latex dress and gloves, standing in a doorway. The text 'RUBBER 'N PVC' is displayed prominently at the top. Below it, a red banner reads 'FILTHY SLUT WANTS SPUNK ON HER DRESS'. At the bottom, two phone numbers are listed: '0909 866 0389' and '0909 866 0042'.

An advertisement for a escort service. It features a woman in lingerie on the left, looking towards the right. On the right side, there is large, stylized text that reads "BIG BOOBS" in white, with "SMOTHERED IN ITTS" written below it in a smaller, blue, cursive font. Below this, the text "CALL NOW - CALL NOW - CALL NOW - CALL NOW" is repeated four times in a smaller, white font. At the bottom, a large, bold phone number "0909 866 0183" is displayed in yellow.

A vertical strip of a sex toy advertisement. At the top, there's a cartoon illustration of a character with a large head and a small body, looking up. The text "COCK SUCKIN' SLUTS" is written in a stylized font across the top. Below this, a diagonal banner contains the words "COVER ME IN CUM" and "I FUCKING LOVE IT". The bottom part of the strip features a close-up of a textured surface, possibly a sex toy, with the text "I want you to Fuck my throat like my cunt and drench me in that hot sticky cum! REAL WIFE SEX

Gemma's story continued from page 21

the tree-trunk that was almost halfway up her cunt. I dropped the dildo so I could concentrate on the climax building up in my pussy. I smeared Donna's face with pussy juice as I came hard, rubbing my bits over her tarty nose, lips and chin.

Dave had no problem unloading all over my heaving tits as we two sluts collapsed in a heap together.

That wasn't the end of my sexiest week ever. On the Friday I went shopping for a new sexy outfit. Before long I was kitted out like a million-dollar tart. I tottered along on my new stilettos, with my sheer stockings veiling my long legs. Cool air wafted around my thighs, over which my taut suspenders slapped with each step.

I'd arranged to meet Dave in the pub and all eyes followed me as I walked over to his table.

Dave was talking to a dishy bloke called Pete. I sat down next to Dave and gave his crotch a friendly squeeze while Pete got some drinks. When he sat down again, he said, "You look gorgeous." Smiling, I pressed my leg against his and gave his bulge a friendly

squeeze too. Dave just laughed, put his hand under my skirt and let his finger trail across my pussy-lips.

I made a quick decision, knocked my drink back and ordered, "Come on you two, home!" When we got there, I simply dropped my skirt, threw off my top and kissed Pete full on the lips. He clutched at my naked buttocks as I ground my body against his growing erection.

His foreskin bunched up at my tight opening

I undid his belt, pulled at his zip and yanked down his trousers and briefs. His enormous cock sprang free and upright, and I wrapped my lips around it. I took it deep into my mouth but could still get two hands around the shaft. I bobbed my head up and down over his quivering staff while his hands gripped my tits.

I pulled him to the floor, sucking and nipping him all the time. He held my head and worked me up and down on

him. Then I felt Dave's hands on my arse and his tongue exploring my oozing cunt. My G-string was tugged aside and Dave's prick was pushed into me

He rammed his rock-hard member in with hard rhythmic strokes in time with mine on Pete's cock. I knew I was cumming and bucked my arse to meet Dave's thrusts. Dave came first with a howl of ecstasy. Then Pete came, filling my mouth with salty spunk. Dave's last stroke took me over the edge and I orgasmed, my cunt muscles milking the last of his cum.

Both men looked shagged out, but I wanted more. I soon revived them. Pete grew and grew in my mouth until his length was solid. I moved back to Dave, whose tool wasn't as long as Pete's, but thicker by now and

just as iron-hard.

I straddled him and impaled myself. As I leaned forward to scrape my tits against his hairy chest, I sensed Pete at my rear end, licking my arsehole. His pointy tongue pushed inside me and I clenched even harder on Dave's cock.

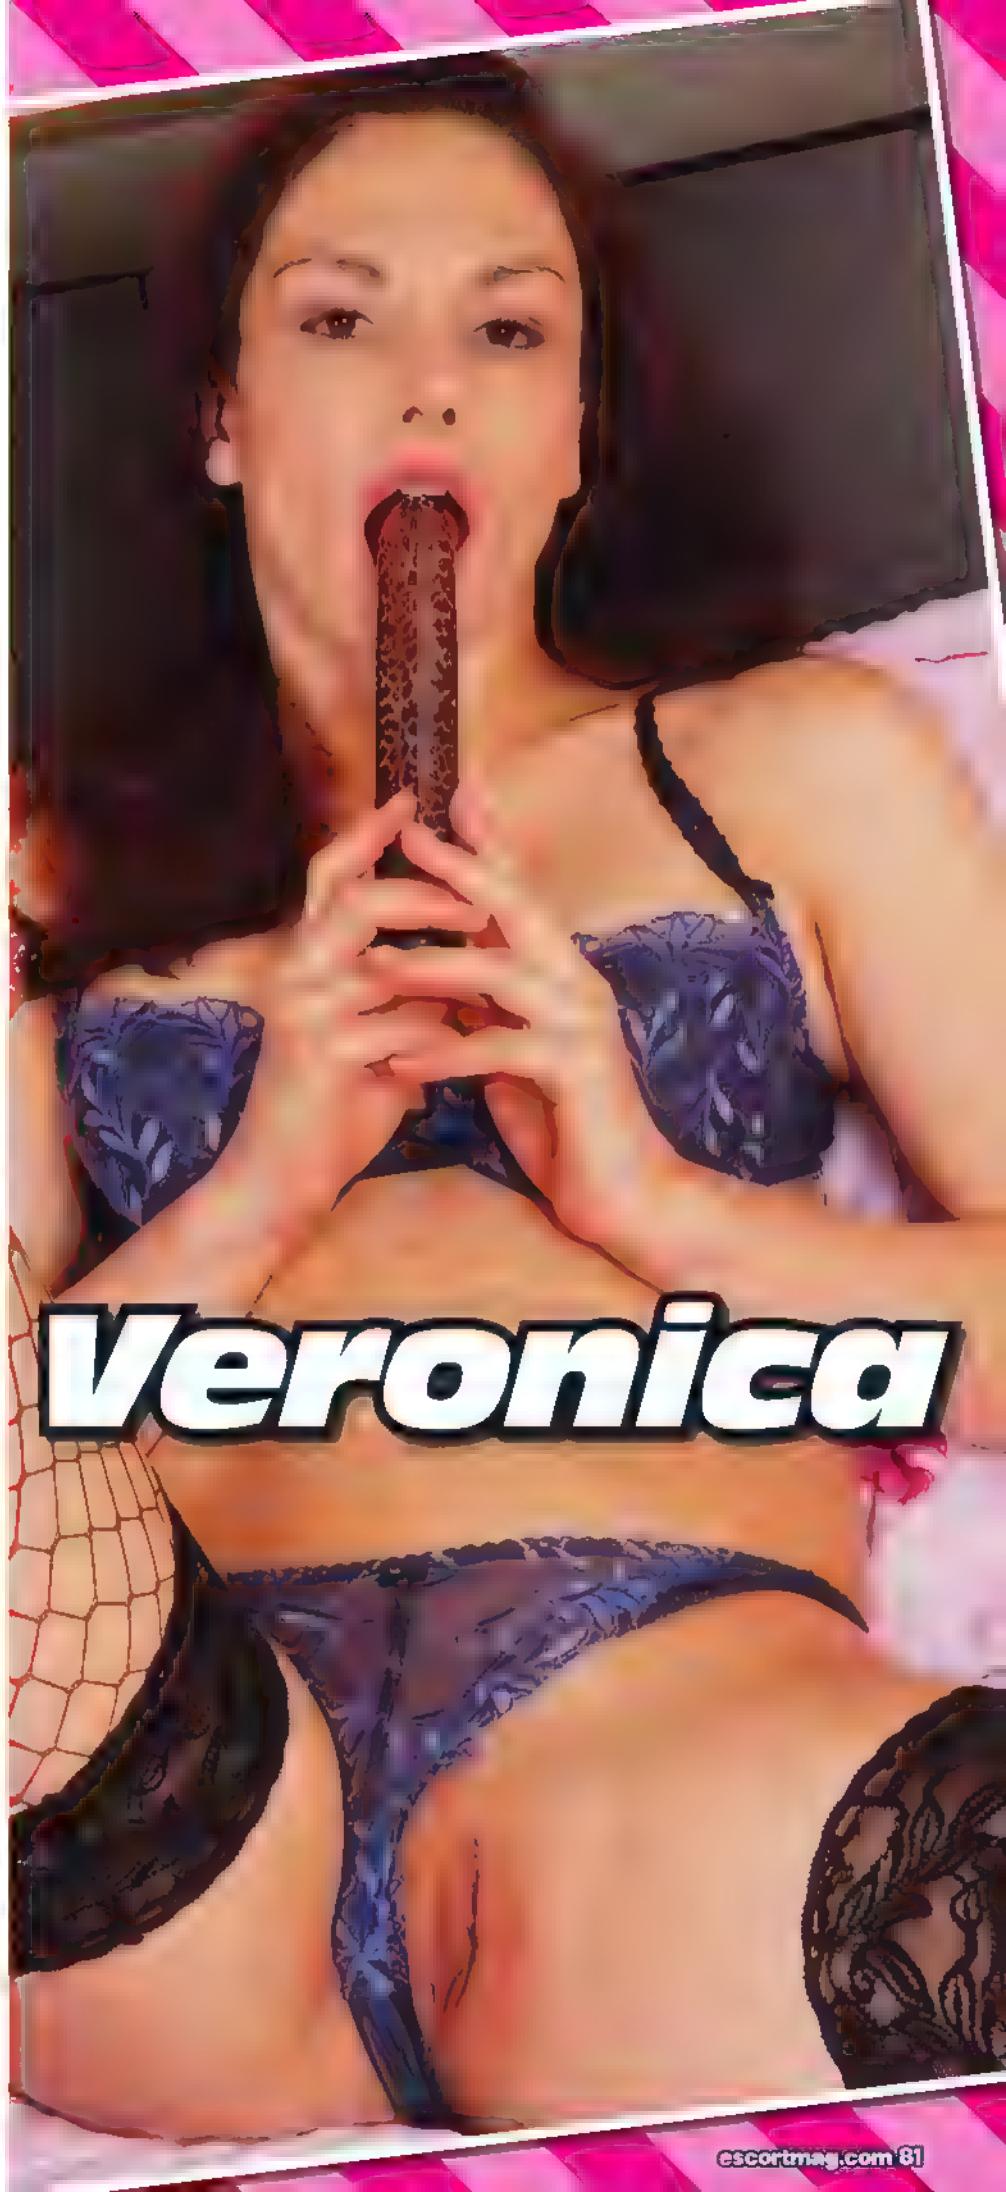

My ring contracted briefly then relaxed as Pete slowly and gently pushed his dick in. I felt the head of his prick enter, then his foreskin bunch up at my opening before it popped in, followed by the rest of his cock until his balls banged against me.

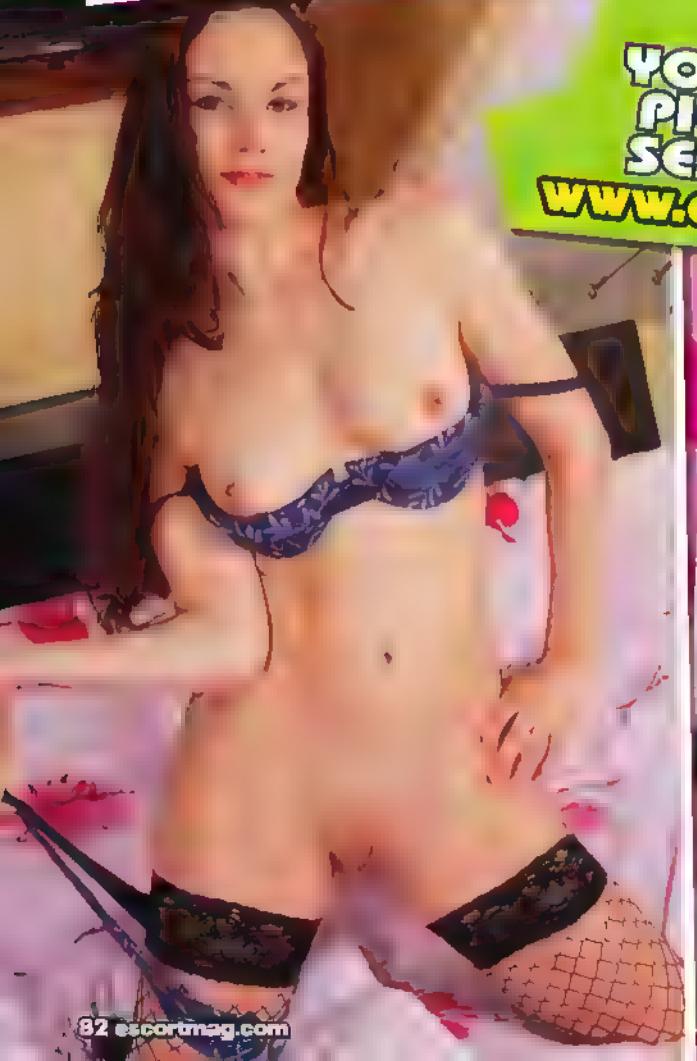

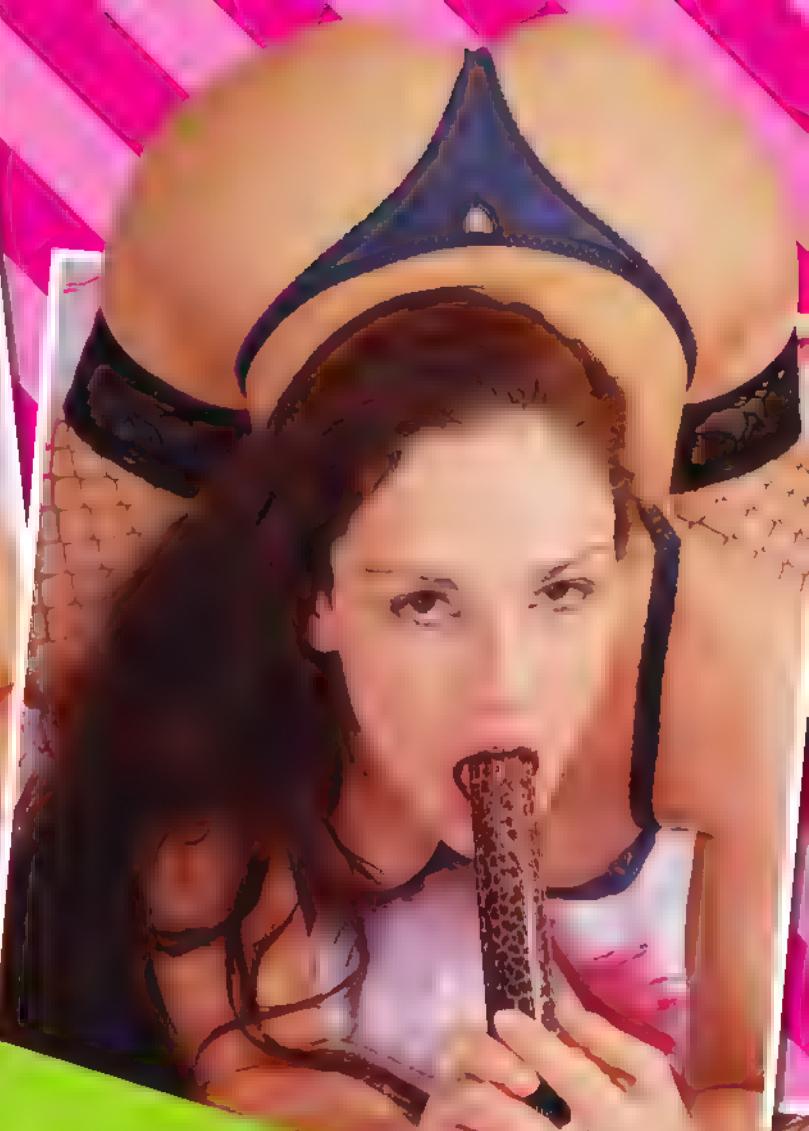

My two tunnels were gripping both men so tight they could hardly move.

I began to buck and twist in a frenzy, howling with pleasure. Then my orgasm rolled out from my cunt to the tips of my toes and back again.

The spasm in my two holes made both men empty their hot loads into me at the same time. We all collapsed in a tangle of sweating arms, legs, tits and cocks. What a week that was! ☺

A mouthful of plastic is one thing, but hot pink pulsing flesh is another. "I'm so into oral I swear I can cum just by sucking a cock or licking some pussy," laughs Veronica (24 from Gloucester). "I'd squat in front of you and finger my cunt while you stuck your sex in my face. I'd gobble it up – force my head into your crotch if you like, I don't mind. As long as you're happy, I'm happy!"

All that jizz

My wife Jane had organised a night out with some neighbours at a local jazz club.

I knew it was going to be one of those nights when she came downstairs with a short blue dress, no underwear and her nipples peeking through the fabric.

As the wine flowed and as the music grabbed people's attention I took advantage. I slid my hand up her silky thigh under the table.

I was surprised when my hand met another arm and realised that my wife was grinding her pussy on to our neighbour Brian's fingers.

Sensing my shock, Jane put a consoling hand on my crotch. I got hard as I thought about how wet her

pussy would be.

When the set was over, Jane took my hand and led me to a side room. It turned out to be the band's changing room.

Jane shut the door and went straight over to the lead singer. After whispering in his ear she dropped to her knees and gave him an expert blow job.

The saxophonist offered his cock as well and Jane alternated between the two dicks.

I came behind and told her to stand. As she bent over to continue

sucking I lifted her dress to see her glistening pussy. I licked her heavenly juices then left her with her dress on her back, her pink open pussy showing and told the drummer to

get in there.

Jane was now getting fucked from behind as she sucked. When the drummer had grunted to orgasm he pulled out. My wife's cunt lips clung sexily to his shaft. Then

Do the biz

We were in a hotel bar and my girlfriend Kath was attracting a lot of looks, especially when she crossed her legs.

One red-faced businessman couldn't keep his eyes off her. When I returned from the

toilets one time, he had joined our table and was chatting to Kath.

Hoping it might turn into a horny situation, I asked John to stay and have a drink with us. Before long I noticed his hand was creeping up Kath's thigh.

We chatted for a short while, the tension in the room becoming unbearable.

Without warning, Kath parted her legs and her dress rode up to reveal her damp skimpy knickers.

Her eyes were glazed with lust as we fucked her at both ends

She was opening her legs to give him better access. When I suggested we go up to our room for a nightcap, they both smiled.

It was horny as hell following them down the corridor, watching John's hand resting on Kath's arse.

Back in the room, Kath lay back on the bed and John sat on the edge of it while I got the drinks.

Looking at both of us, she rubbed her hand over her mound.

I nodded at John to get stuck in. He leaned forward and began licking her pussy through her knickers. Kath pulled them to one side and pushed her cunt towards his tongue.

He stripped her naked. Then he undressed, revealing a fat cock. They lay on the bed kissing.

Kath stroked John's stiffen-

ing cock while he played with her hard nipples. Then Kath told me to eat her out, so I let her pull my head between her thighs.

After a while Kath got on all fours and asked John to fuck her from behind. He was soon pumping away and making her moan.

I moved over and fed my boner into her mouth. Kath's

the other two bent her over and fucked her frantically.

We left the jazz band in a pile with daft grins.

It was time to go home. Jane walked one way with Brian and I went another with his wife Sally. We set off at a pace to get home before the others.

Sally dragged me into her hallway and had barely shut the door before we were

out of our clothes. I lifted her up against the wall and fucked her hungrily as she cried out that she wanted my knob deep in her cunt.

Jane returned bedraggled an hour later and told me how she and Brian had slipped into the local tennis club and shagged on the clubhouse verandah!

eyes were glazed over with lust as we fucked her at both ends.

She encouraged us to cum over her face and tits.

We both came at the

same time, coating her in spunk. Then she cleaned both our cocks and lay back with a satisfied look on her face.

Finger fun

When I was 18 and my boyfriend was 30 we enjoyed a full and varied sex life.

He found it a turn-on for me to confess the things I'd done.

The old bloke who owned the shop on the corner of our street was always talking dirty to me and being filthy. I told my boyfriend I fancied him in a 'dirty old man' sort of way.

I had a thing about older men so my boyfriend said I could go ahead with my fantasy. The next time I was alone with him in the shop I asked if I could have a kiss.

He put the 'Closed' sign up and took me to a back

room. Before I knew it his hand was up my skirt and he was shoving two fingers into my wet pussy.

We went upstairs and he poured us drinks and put on a dirty film. I sat with my legs spread and he started fingering me. I let him pleasure me with his tongue and fingers.

We went to the bedroom and he gave me a tremendous orgasm.

He then had me on my hands and knees and was putting two and then three fingers up me.

Then he got four fingers in

and tried to get his thumb up as well. Each time he built up to a peak, fingering me fast and ramming me as hard as I could take.

It was definitely a mixture of pleasure and pain - I felt so filthy.

After hours of banging I was hanging off the bed.

He had four fingers and a thumb right up me to the hilt and his other thumb right up my arse. It was just one long continuous orgasm.

Finally I left his place - very sore but very content.
